Merry Christmas!

*This year a special gift
has been given in your honor.*

Your Christmas gift will transform lives by supporting:

- * Recovery and rebuilding efforts of schools, homes and clinics in Haiti following the devastation of Hurricane Matthew;
- * Counseling, education, housing and support to at-risk teens aging out of the foster care system in Kansas and Missouri;
- * Projects focused on breaking the cycle of poverty in Kansas City and beyond.

To find out more about these projects, go to:
